

# Curriculum vitae

## PERSONAL INFORMATION

Name: Eirik Romstad

Date of birth: 04.04.1956

Email – work: [eirik.romstad@nmbu.no](mailto:eirik.romstad@nmbu.no) | private: [errom@gmail.com](mailto:errom@gmail.com)

Telephone – work: (+47) 6723 1144 | mobile/private: (+47) 922 97 226

URL for personal web site: <http://arken.nmbu.no/~eiriro/>

## EDUCATION

1990	PhD in economics: Disputation date: 17.01.1990 Department of Agricultural and Resource Economics, Oregon State University, USA
1983	Master in environmental management and economics Department of Environmental Management, Norw. Univ. of Ag. Sciences <sup>1</sup> , Norway

## CURRENT AND PREVIOUS POSITIONS

2009 →	Associate professor in economics School of Economics and Business <sup>2</sup> , Norwegian University of Life Sciences, Norway
2003-2008	Sr. research fellow School of Economics and Business, Norwegian University of Life Sciences, Norway
1991-2002	Research fellow School of Economics and Business, Norwegian University of Life Sciences, Norway
1990-1990	Research fellow Norwegian Institute of Agricultural Economics Research (NILF), Norway

## FELLOWSHIPS, AWARDS AND PRIZES

1985-1987	University of Kentucky university fellowship, departmental fellowship Department of Agricultural Economics, University of Kentucky, USA
1985-1987	John D Archbold fellowship (Norwegian-American Association) Department of Agricultural Economics, University of Kentucky, USA
1985-1989	Fulbright, Department of Agricultural Economics, University of Kentucky, and Department of Agricultural and Resource Economics, Oregon State University, USA
1987-1989	Oregon State University, graduate scholarship Department of Agricultural and Resource Economics, Oregon State University, USA
1999	Sicco Mansholt visiting scholarship. Wageningen University, The Netherlands
1993	Best paper award, EAERE conference, Fontainebleau, France (with Olvar Bergland)
2009	Teaching award for ECN 371 (Environmental economics), Department of Economics and Resource Management, Norwegian University of Life Sciences

<sup>1</sup> The Norwegian University of Life Sciences (NMBU), previously University of environmental and biosciences (UMB), and Norwegian University of Agricultural Sciences (NLH).

<sup>2</sup> School of Economics and Business, previously Department of Economics and Resource Management, Department of Social Sciences, and Department of Agricultural Economics.

## **MOBILITY** (research stays abroad lasting more than two months)

- 1999-2000 Sicco Mansholt Visiting Professor, Department of Social Sciences, Wageningen University and Research, Wageningen, The Netherlands
- 1992-1993 Visiting Assistant Professor, Department of Agricultural Economics and Rural Sociology, The Ohio State University, USA

## **SUPERVISION OF GRADUATE STUDENTS AND RESEARCH FELLOWS**

- 1997-current Number of Postdocs 0/PhD 6/MasterStudents 30+  
School of Economics and Business (formerly Department of Social Sciences/ Department of Economics and Resource Management), Norwegian University of Life Sciences, Norway.  
Best MSc thesis NMBU: Martine Moe Winsnes (2011, with Torstein Bye)  
Best MSc thesis School of Economics, NMBU: Lovise Bauger (2009), Kine Josefina Aurland-Bredesen (2016).  
Completed PhD students (current employer, *title dissertation*, year of defense):  
[Klaus Mittenzwei](#), Ruralis research center, *Formalizing the Rules of the Game: A Study on the Role of Institutions in Norwegian Agricultural Policy Making*. 2002.  
[Per Kristian Rørstad](#), Department of Ecology and Natural Resource Management, Norwegian University of Life Sciences, *Essays on the Multifunctionality of Agriculture and Policy Options*. 2008.  
[Kenneth Løvold Rødseth](#), Transport Economics Institute (TØI), *Treatment of undesirable outputs in production analysis: Desirable modeling strategies and applications*, 2011.  
[Kidanemariam Abreha Gebretsadik](#), Department of Economics, Mekelle University: *Demand Side Implications for Irrigation Management and Policies*, 2020.  
[Kine Josefina Aurland-Bredesen](#), School of Economics and Business, NMBU, *The optimal management of catastrophic risk*. 2020.  
[Miria Nakanya](#), Makarere University Business School, Bioenergy and sustainable development in developing countries. 2022.

## **TEACHING ACTIVITIES**

- 1992 *Environmental and Resource Economics* (intermediate), Department of Agricultural Economics and Rural Sociology, The Ohio State University, USA.
- 1997-current Environmental economics (ECN 371, 1997-2017),  
Macro economics introduction 1&2, (ECN 120, ECN 122, 2013 → )  
Natural resource and environmental economics (ECN 275, ECN 375, 2018 → )  
Biologically based production, industrial processes and markets (BioEc 350)  
All at: School of Economics and Business, Norwegian University of Life Sciences.

## **ORGANISATION OF SCIENTIFIC MEETINGS**

- 2002 8<sup>th</sup> EAAE congress, member of program committee, 600+ participants, Spain
- 2009-2012 Forskermøtet for samfunnsøkonomi (Research meeting in economics), member of organizing committee (2012 chair), apprx. 100 participants, Norway
- 2017 15<sup>th</sup> EAAE congress, member of program committee, 800+ participants, Italy

2020 Forskermøtet for samfunnsøkonomi (Research meeting in economics), member of organizing committee, apprx. 85 participants, Norway

## INSTITUTIONAL RESPONSIBILITIES

1997-2003 Head of Research, Department of Economics and Social Sciences, NMBU, Norway  
2004-2006 Head of Environmental Research, NMBU, Norway

## PROJECT MANAGEMENT EXPERIENCE (listed only as project leader)

1994-1996 Valuation of elements in the agricultural cultural landscape, funding; Norwegian Research Council, project owner: School of Economics and Business, NMBU  
2001-2003 Environmental policy instruments and institutions, funding; Nordic Council of Ministries, project owner: School of Economics and Business, NMBU  
2003-2005 Thresholds in Natural Resource Economics, funding; Norwegian Research Council, project owner: School of Economics and Business, NMBU  
2011-2012 Auctions for Managing Biodiversity in Forests, funding: Expertgruppen för miljöstudier (Expert group for environmental studies), project owner: School of Economics and Business, NMBU

## COMMISSIONS OF TRUST

2021-2023 EAAE Research Discovery Paper evaluation panel  
2021 Evaluation panel member INTREG strategic research project applications, Wageningen University, the Netherlands  
2018 Evaluation panel member INREF 2020 strategic research project applications, Wageningen University, the Netherlands  
2018 Panel member Swedish Life Sciences University, research evaluation social sciences  
2018 Evaluation panel member INREF 2018 strategic research project applications, Wageningen University, the Netherlands  
2017 External academic expert member of faculty hiring committee, professorship natural resource and environmental economics, Swedish Life Sciences University  
2016 External academic expert member of faculty hiring committee, professorship agricultural economics, Swedish Life Sciences University  
2015 Opponent for the doctoral defense of Kyösti Arovuori, Faculty of Agriculture and Forestry, University of Helsinki, Finland  
2014 Evaluation panel member FOREFRONT 2014 strategic research project applications, Wageningen University, the Netherlands  
2013 External assessment (and reassessment after 3 years) called professorship “The Economics of the Baltic Sea Protection” Kari Hyttiäinen, Faculty of Agriculture and Forestry, University of Helsinki, Finland  
2013 Opponent for the doctoral defense of Janne Helin, Faculty of Agriculture and Forestry, University of Helsinki, Finland  
2008 Panel member assessment of strategic research projects, Finnish Academy of Sciences, Helsinki, Finland  
2007 Opponent for the doctoral defense of Jesper Sølver Schou, Department of Economics, The Royal Veterinary and Agricultural University, Copenhagen, Denmark  
2006-2007 Head of the evaluation committee of the FAO project “Roles of Agriculture”

2003	Opponent for the doctoral defense of Jussi Lankoski, Faculty of Agriculture and Forestry, University of Helsinki, Finland
2002	Opponent for the doctoral defense of Berit Hasler, Department of Economics, The Royal Veterinary and Agricultural University, Copenhagen, Denmark
1999	Opponent for the doctoral defense of Connie Nielsen, Department of Economics, The Royal Veterinary and Agricultural University, Copenhagen, Denmark
1999	Member of the evaluation committee for project applications under the MISTRA research foundation (Strategic Environmental Research in Sweden) (reevaluation of funded project 2004)

### PhD OPPONENT (7)

Connie Nielsen (The Royal Agricultural and Veterinary University, Denmark), Gudbrand Lien (Norwegian School of Economics), Berit Hassler (The Royal Agricultural and Veterinary University, Denmark), Jussi Lankoski (University of Helsinki), Jesper Sølver Schou (The Royal Agricultural and Veterinary University, Denmark), Janne Helin (University of Helsinki), and Kyösti Arovouri (University of Helsinki).

### MEMBERSHIPS OF ACADEMIES / SCIENTIFIC SOCIETIES

Current	Agricultural Economics Society (AES), American Association of Applied Economics (AAEA), American Economic Association (AEA), Association of Environmental and Resource Economics (AERE), European Association of Environmental and Resource Economics (EAERE), European Association of Agricultural Economists (EAAE), International Association of Agricultural Economists (IAAE), Nordic Association of Agricultural Research (NJF), Royal Economic Society.
---------	--

### RESEARCH GRANTS

Nordic Risk Management in Agriculture, risk management in agriculture, Nordic Council of Ministries research, NOK 24 mill., Hans Andersson (Sweden), Mogens Lund (Denmark), and Karl Johan Weckman (Finland).

Environmental policy instruments the paper and pulp industry, Nordic Council of Ministries research and network, NOK 3 mill, (with Bengt Kriström and Runar Brännlund (Sweden), and Lauri Hätemäki (Finland)).

Nordic , environmental policy instruments and institutions, Nordic Council of Ministries research grant, NOK 4 mill (with Bengt Kriström (Sweden), and John Sumelius (Finland)).

EU Framework Projects (lead Norwegian Partner):

- AIR3 *Nonpoint source pollution in agriculture* (leader Arie Oskam, Wageningen Univ, the Netherlands)
- FP4 (leader Frank Convery, Univ. College of Dublin, Ireland)
- FP5 *AgriBMPWater*, nonpoint source pollution, leader Ramon LaPlana (Cemagref, France)
- FP6 *Seamless*, nonpoint source pollution, leader Martin van Ittersum, Wageningen Univ, the Netherlands
- FP7 *title*, regional economics, NOK xxx mill, leader

Norwegian Research Council (project leader)

- *Thresholds in environmental and resource economics*, dynamics in resource economics, NOK 6 mill, (with Eric Nævdal, then at NMBU, currently at the Frisch Center for Economic Research)

- *Valuation of elements in the agricultural cultural landscape*, nonmarket valuation, NOK 5 mill (with Olvar Bergland, NMBU).

## **COLLABORATIONS**

Bengt Kriström, co-organizer Ulvön conference of environmental economics 1993-2012

Lars Gaarn Hansen, mechanism design (nonpoint source pollution), Research center for counties and municipalities (AKF), Denmark.

Steve Polasky, mechanism design (procurement auctions for biodiversity management), Department of Applied Economics, University of Minnesota, USA.

Mathias Bohmann (Swedish University of Life Sciences) and Henrik Lindhjem (NINA) Report to the The Expert group for environmental studies, Swedish Ministry of Finance.

## **PROFESSIONAL ENGAGEMENT ACTIVITIES (if applicable)**

President/European Association of Agricultural Economists (9/2005-8/2008)

Vice President/European Association of Agricultural Economists (9/2002-8/2005)

President Norwegian Association of Agricultural Economists (1994-96)

Editor *Landbruksøkonomisk forum* (the journal of the Norwegian Agricultural Economists) (1992-93)

Member of the editorial boards of: *EuroChoices* (2005-2019), *Journal of Forest Economics* (1999-2008), *Journal of Environmental Management* (2013-14).

Member of the program committees: EAAE congress (2002, 2014), Norwegian Economic Association research meeting (2009-12, 2020).

Reviewed for: *Agricultural Economics*, *American Journal of Agricultural Economics*, *AMBIO*, *Ecological Economics*, *European Review of Agricultural Economics*, *EuroChoices*, *Journal of Agricultural Economics*, *Journal of Environmental Economics and Management*, *Journal of Environmental Management*, *Solutions*.
