

Files for [Alcalá course](#) Oct 8-9, 2012

Thore.Egeland@gmail.com, Sept 29, 2012

See below

- FamiliasFiles contains the Familias files to be used in the exercises and also for demonstrations in the lectures
- FAMILIAS.zip Contains the files needed to install Familias 2.0 (also called Familias 1.97) in case there is no internet. (This is downloaded from <http://familias.name/download.html>)
- The other files should be obvious from their names

	FamiliasFiles	29.09.2012 08:39	File folder
